NBTSC 2010 Vermont Lifeguard Application

- You must have current American Red Cross Lifeguard certification to apply.
- Please fill out this application and mail to NBTSC, 1160 Almaden Street, Eugene, OR 97402. (Sorry, no email applications.)
- Postmark deadline is July 15, and you must have *also* registered for camp by the time that you apply. **Earlier applications are encouraged.** (Our official information states that the 2010 deadline is July 1, but this application wasn't available until late June. We may, in fact, also consider applications postmarked after July 15—email Grace at GraceLlewellyn@gmail.com to find out.)
- We'll let you know via email, within one month of receiving your application, whether we have a lifeguard position for you.

Basic info: Generally speaking, the typical agreement we make with lifeguards is that each lifeguard is available for 10 hours of lifeguarding (and perhaps a few more hours in lieu of other chores) and receives a \$100 credit towards her or his camp fee. Then, if we ask someone to lifeguard more than 10 hours, at the end of the week we write them a check as a partial refund of their camp fees, crediting them \$10 per extra hour.
